

RAFHAA NEWSLETTER APRIL 2021

I am sure our thoughts and prayers are with Her Majesty the Queen on the death of HRH The Duke of Edinburgh.

Annual General Meeting 2021

The RAFHAA will hold its Annual General Meeting (AGM) and a Webinar via Zoom Video-Conference from Midday on Saturday 25th September 2021

The AGM will consider agenda items submitted, the Minutes of the 19th September 2020 AGM, approval of the CIO Constitution, a report on the year's activities from the Chairman, Membership Secretary, Heritage Development Member, and Treasurer, presentation of the Accounts, and elections to the Council. Nominations for election to the Council should be forwarded to the RAFA Chairman no later than 30th June 2021.

Nominations for election to the Council must indicate that the member nominated is willing to serve, and give the name of a proposer and seconder, who must be current individual voting members of the Association.

Members may petition/request the Council by post up to, but not later than 31st August 2021 for matters to be included in the Meeting. Where 25 members or more Petition on a matter it will be included in the meeting agenda. Petitions of less than 5 members, and requests, may be included on the agenda at the discretion of the Council; if not included they will be replied to in writing and acknowledged at the meeting.

At the height of Covid, I received correspondence from several members about how best to make Bequests to the Association particularly regarding the creation of a successful Heritage programme for the Halton Brat. The Council has agreed to place the following statement in future issues of the Haltonian and on our website at www.oldhaltonians.co.uk

"Over the years, some members have made bequests to our Association in their wills in preparation for their final postings. Recently, a member asked if we still accepted bequests or legacies and how he should proceed if he wished to make such an arrangement. Covid had concentrated his mind on a difficult subject.

Of course, it is vital that advice is taken from a qualified lawyer; but dealing with these matters is not expensive and gives one peace of mind. Our Association details are provided on the rear page of the Haltonian and are sufficient for most lawyer's needs.

We all owe a debt of gratitude for the apprentice training we received at Halton. It is not just about the quality and depth of professional training but the development of personal qualities and friendships that have shaped the whole of our lives. Halton made us the people we are today.

Your Association is determined that the role of ex-Halton apprentices in the military history of our great nation is recognised by future generations. Our Heritage plans are extensive and likely to be costly. You can help us achieve lasting recognition for ex-Halton brats by making a gift to RAFHAA in your will. Once you have catered for your loved ones, a generous bequest would help us achieve our Heritage plans. Your help would be gratefully received. Thank you."

One matter that has been testing your Council for some time concerns General Data Protection Regulation (GDPR). As mentioned earlier, Rob Knotts has taken up a newly established Council post as Member for GDPR. Rob has thoroughly investigated our GDPR arrangements, and we have modified the way we all work to be compliant in law. However, it has been noted that some Entry websites, to which we provide links from www.oldhaltonians.co.uk, are not wholly compliant. Entry web sites that protect personal information by using a password allocated by the entry webmaster are perfectly legal and we will continue to carry the links. However, there are a few Entry websites where personal information of Entry members is not protected, and we must ask that these sites be reviewed and modified. Rob Knotts (GDPR@rafhaa.co.uk) is happy to provide guidance to Webmasters and Chairman of Entry Associations, so please contact him if you need help. Unfortunately, we do not hold records of who these people are, (indeed they may not be members of HAA), so we ask that those who receive this message, please pass it on to entry colleagues with website responsibilities.

Ron Priest (207th) is a member of both the National Memorial Arboretum (NMA) committee and the local branch of the Royal British Legion. We are delighted to announce that Ron has been presented with the RBL Centenary Award for his work over the past 15 years with NMA staff at the Halton Grove. In accepting the award, Ron said that without the support of all the volunteers, Council members and Patrons he could not have achieved anything, it had always been a team effort.

Recently, on one of the Facebook sites covering RAF Apprentice discussion, contributors recalled their participation in route lining and other activities when undergoing training at Halton. Ron Priest has kindly produced a consolidated list of all the inputs, and it makes interesting reading. I attach the list that is likely to be incomplete and if you have any observations, please drop our General Secretary (Les Shardlow) a note at secretary@rafhaa.co.uk

Last month, the Council received a letter from one of our members about the way we are addressing the Haltonian carrier labels, particularly the exclusion of post-nominal letters. We take seriously any comment made by members, especially when they make the effort to contact us, and we have been investigating this matter thoroughly. It appears that a previous Council took the decision to drop the post-nominals from member's names, but we could find no certain reason why. In the eighties, serving personnel were encouraged to obtain civilian recognition of their skills and many joined professional institutes giving them the right to use post nominal like MIPM (Member of the Institute of Personnel Management) or MITD (Member of the Institute of Training and Development). On top of this, of course, some had academic post-nominals like Dr or BSc, and some had post-nominals for national awards like BEM or MBE. It is believed that the inclusion of post-nominal letters on address labels was stopped because of lack of space on the delivery labels. Our investigations found that our data base included some post-nominals, but the detail is far from complete. When the present Council took over last year, the Association had been preparing for closure and there is no doubt the database had fallen into decay. Through the considerable efforts of Colin Ferrier, our Membership Secretary, the database is now far more accurate although to be certain of the accuracy of post-nominals would take a huge amount of work necessitating every member to re-register. We believe this is unnecessary but would welcome your views. In the meantime, we apologise to those who wish to show their qualifications and awards but for now we will continue to leave them off our address labels.

Several members have asked us to reorder supplies of RAFHAA car stickers. I am pleased to say we have unearthed a supply of stickers and you will note that the Memorabilia list on our web site www.oldhaltonians.co.uk now includes the stickers. We will supply 2 stickers by post to a UK address for £4.00 including postage or overseas £5.00 including postage. Order as advised on the website.

The results of the fourth HAA 500 Club Lottery that took place at mid-day on 1st March are as follows:

- 1st prize of £514.00 goes to Ray Helliard (85/86th) with lucky number 139
- 2nd prize of £257.00 goes to Bill Affleck (92nd) with lucky number 103
- 3rd prize of £129 goes to Dave Parsons (90th) with lucky number 72

The Heritage Fund received £385.

The results of the fifth HAA 500 Club Lottery that took place at mid-day on 1st April are as follows:

- 1st prize of £568 goes to Alan Dyer, 99th with lucky number 120
- 2nd prize of £284 goes to Paul Sims, 217th with lucky number 54
- 3rd prize of £142 goes to Nigel Bacon, 82nd with lucky number 79

The Heritage Fund received £426.

Congratulations to all the winners, especially our Heritage Fund! Phil Sprinks says the numbers of players are increasing month on month and there are plenty of places still available. Your Council agreed that after completing a successful trial, the Lottery will continue under the present arrangements for the foreseeable future. You have to be "IN IT TO WIN IT". Email Phil at 500club@rafhaa.co.uk to join the lottery.

Your Council has recently discussed how best we can fulfil our Charitable status commitments. We have recently reinstated an annual grant to the RAF Halton Charities fund, and we are keen to do more and are asking for your help. The first Object of the Association Constitution states we are to provide for "*The relief and assistance of past apprentice members of RAF Halton and their dependants who are in need by reason of poverty, disability, sickness, infirmity or otherwise*".

We believe our members will know best if there are ex brats that fall into this category and need help. Often gifting books, music, puzzles, or plants etc can be uplifting for those who are unwell or in need. Or there may be a greater need that we can seek assistance from the RAF Benevolent Fund or the Royal Air Forces Association. Please write to me, chairman@rafhaa.co.uk, in confidence and your Council will endeavour to help those in need.

Our General Secretary, Les Shardlow (103rd) has moved home and therefore our Association Headquarters address has also changed. Please note, our correspondence address and that of our General Secretary is now 1, Pipit Gardens, Watermead, Aylesbury, HP19 0GF

Please do not forget that for many of you the annual subscription increased to £20 this year. By now those that pay by standing order should have advised their bank accordingly and set up new mandates. Yearly payment members should send their cheque now to RAFHAA, 1 Pipit Gardens, Watermead, Aylesbury. HP19 0GF. If you are experiencing any problems in setting up new Standing Orders, please contact Colin Ferrier (93rd) at membership@rafhaa.co.uk

Please keep your photographs of cherished number plates coming in. The latest was sent in by John Player of 68th.

Much important information is contained in this Newsletter; remember, it is also available on our website with extracts featuring in threads that are especially noteworthy like the AGM Calling Notice.

With Best Wishes to you all.

Frank
