I wish to order an Entry Paver / In Memoriam Paver: The 8" x 8" pavers can accommodate a maximum of 4 lines of text, each line holds up to 20 characters including spaces. Please enter your text below.

Important Notes:

Our supplier in Bristol works on a minimum order basis. We have to arrange transport from his works to the NMA and then arrange for installation of the pavers with a contractor. This can take several months so please be patient. We cannot provide an exact date when your paver will be installed as this depends on the weather and many other factors. Therefore it will not be practical for you to plan to attend the installation. However we will advise you when your paver has been set.

"I am a UK taxpayer and agree to the HAA claiming Gift Aid in respect of this donation"

Please return your completed Order Form with a cheque for £65.00.
